Krittaphas Jindawong

Project Manager, Manufacturing and ERP

Chachoengsao · krittaphas.jindawong@example.com

Summary

Project manager with 10 years of experience, first in SAP consulting and now in packaging manufacturing. I like projects where the plan has to work on the factory floor, not only in the steering committee room.

Experience

Project Manager Halvorsen Packaging (Thailand) Co., Ltd. Jan 2019 – Present

- Manage the improvement portfolio for two factories: line automation, energy saving and warehouse layout projects.
- Owned the THB 20 million budget for the corrugated line automation project, delivered on time in 2024.
- Lead a team of 6 engineers and planners, plus contractors on site.
- Report project status, cost and risk to the plant directors every month.

Project Manager Orvane Consulting Asia Co., Ltd. Mar 2016 – Dec 2018

- Led the SAP S/4HANA ERP rollout end to end for a client's Thai subsidiary.
- Led change management and user training for the rollout: 25 key users, 30 training sessions for finance, purchasing and warehouse staff, and floor support for the first two weeks after go-live.
- Managed a project team of 12 consultants and client staff.
- Ran two smaller SAP enhancement projects for manufacturing clients.
