SUMMARY

Programme manager with 11 years of project management experience in manufacturing and packaging. I have taken SAP from blueprint to go-live across three plants and a head office, and I care as much about the people on the shop floor as about the system.

EXPERIENCE

ERP Programme Manager Pakthong Industrial Group Co., Ltd. Aug 2019 – Present

- Led the SAP S/4HANA ERP rollout end to end across 3 plants and head office, covering finance, purchasing, production and sales.
- Owned the programme budget of THB 60 million and reported monthly to the group CFO and the steering committee.
- Led change management and user training for 650 users: 40 key users, a train-the-trainer programme and floor walkers in every plant for the first month after go-live.
- Managed a programme team of 14 internal staff alongside the implementation partner's consultants.

IT Project Manager Halvorsen Packaging (Thailand) Co., Ltd. Apr 2015 – Jul 2019

- Delivered 9 IT projects, including a warehouse barcode system, a plant network upgrade and a move to cloud email.
- Ran the yearly IT project portfolio review with the plant managers and the finance team.
- Introduced a simple stage-gate checklist that every IT project in the company still uses.

Systems Engineer Halvorsen Packaging (Thailand) Co., Ltd. Jun 2012 – Mar 2015

- Supported servers, backups and the production system interfaces for two factories.
- Wrote the first IT runbook used by the night shift.
