Chalermchai Bunyasarn

Senior Project Manager, Banking Technology

Nonthaburi · chalermchai.bunyasarn@example.com

SUMMARY

Senior project manager with 13 years in banking and insurance technology. I run large, high-risk programmes where the cut-over weekend has to work the first time and the regulator is watching.

EXPERIENCE

Senior Project Manager Klangmuang Bank Plc Mar 2017 – Present

- Led the core banking platform migration end to end for 2.3 million accounts.
- Owned the programme budget of THB 40 million and reported monthly to the bank's IT steering committee.
- Planned three full dress rehearsals and the final cut-over weekend: no data loss, and every branch opened on time on Monday morning.
- Lead a team of 14 across business analysis, testing, data migration and infrastructure.

Project Manager Siam Sarika Insurance Co., Ltd. Aug 2013 – Feb 2017

- Managed the agent commission calculation project, which cut the monthly commission run from five days to one.
- Ran quarterly regulatory reporting changes for the Office of Insurance Commission (OIC).
- Managed a team of 6 developers and analysts.
