SUMMARY

Project manager with 11 years of project management experience in freight and manufacturing. I like messy, multi-site projects: different depots, different habits, one system at the end. For years I have managed teams and vendors across several provinces from my base in the north.

EXPERIENCE

Project Manager Stonereach Freight Co., Ltd. Feb 2018 – Present

- Led the Dynamics 365 ERP rollout end to end across 5 sites.
- Owned the project budget of THB 22 million; finished 3% under budget.
- Led change management and user training for 380 users: 25 key users, short video lessons in Thai and on-site support at every depot go-live.
- Manage a team of 7 and two vendor teams, including weekly calls in English with the implementation partner in Kuala Lumpur.

Project Coordinator → Project Manager Pakthong Industrial Group Co., Ltd. Jun 2015 – Jan 2018

- Coordinated, then managed, factory IT projects: barcode goods receiving, a quality-inspection database and network upgrades at two plants.
- Ran up to four projects at a time, with weekly status reports to the plant managers.
