Orawan Pitakwong

Project Manager, ERP and Operations Systems

Bangkok · orawan.pitakwong@example.com

Summary

Project manager with 10 years of project management experience in telecom and automotive companies. I am most at home on procurement, inventory and back-office projects, where the numbers have to reconcile on the first day. I keep plans plain, status reports honest and cut-over checklists short.

Experience

Project Manager Silverpine Telecom Co., Ltd. Apr 2019 – Present

- Led the Infor ERP rollout end to end for procurement and inventory.
- Owned the project budget of THB 9 million and finished within 3% of plan.
- Managed a project team of 8 from procurement, warehouse, finance and IT.
- Cleaned and migrated 46,000 item and supplier records before cut-over, with a reconciliation signed off by finance.

Project Manager Rungkasem Motors Co., Ltd. Aug 2016 – Mar 2019

- Ran 7 projects for the parts and service business, including a spare-parts barcode system for two warehouses and a supplier portal for local parts makers.
- Built the monthly project report used by the after-sales director to set priorities.
- Set up a shared risk and issue log for all IT projects in the after-sales division.
