SUMMARY

Insurance project manager who moved up from systems analysis. I led our policy administration platform replacement and, for two and a half years, also ran freelance projects for small businesses on evenings and weekends.

EXPERIENCE

Project Manager *Siam Sarika Insurance Co., Ltd.* Jan 2023 – Present

- Led the Guidewire policy administration platform rollout end to end.
- Owned the project budget of THB 10 million, covering licences, the implementation partner and internal staff.
- Lead a team of 8: business analysts, testers and an integration developer.
- Agree scope and priorities with the underwriting, claims and finance heads every two weeks.

Freelance Project Manager *Self-employed* Jun 2023 – Dec 2025

- Part-time, alongside my full-time role at Siam Sarika: managed 7 short projects for small businesses, including a booking website for a dental clinic group and stock-tracking sheets for an online shop.
- Wrote scopes, timelines and fixed-price quotes; coordinated freelance designers and developers in teams of 2 to 4.

Systems Analyst *Siam Sarika Insurance Co., Ltd.* Mar 2019 – Dec 2022

- Wrote requirements and test cases for the policy and claims systems.
- Supported month-end batch processing and fixed production issues with the development team.
