Thanawat Rojanasakul

Junior Project Manager, ERP Consulting

Bangkok · thanawat.rojanasakul@example.com

SUMMARY

Junior project manager with 2 years of project management experience at a consulting firm, after starting there as a business analyst. I like structured work: clear plans, clean requirements and honest status reports. I am looking for an in-house role where I can grow into larger programmes.

EXPERIENCE

Junior Project Manager Orvane Consulting Asia Co., Ltd. Feb 2024 – Present

- Business analyst on an Oracle Fusion ERP rollout.
- Keep the project plan, RAID log and weekly status report for two client projects, working under a senior project manager.
- Coordinate testing between client key users and the offshore development team; project documents and meetings are in English.
- Lead a team of 3 analysts on a procurement reporting project for an insurance client.

Business Analyst Orvane Consulting Asia Co., Ltd. Jun 2022 – Jan 2024

- Gathered requirements and mapped finance processes for clients in insurance and retail.
- Wrote functional specifications and test scripts, and supported user acceptance testing.
