SUMMARY

Telecom project manager with 6 years of project management experience, after starting as a network engineer. I run large field programmes where site acquisition, civil works, equipment vendors and radio teams all have to land on the same date. I am known for weekly plans that the field teams trust.

EXPERIENCE

Project Manager Silverpine Telecom Co., Ltd. Feb 2020 – Present

- Led the rollout of 240 5G network sites across Bangkok and the Eastern region, three weeks ahead of the coverage deadline.
- Owned the programme budget of THB 300 million for equipment, civil works and installation.
- Managed a team of 16 site engineers and coordinators, plus 4 installation contractors.
- Built the weekly site-status dashboard used by the CTO office and the sales teams in each region.

Network Engineer Silverpine Telecom Co., Ltd. May 2016 – Jan 2020

- Planned and tuned 4G radio sites in the Bangkok metro area.
- Ran drive tests and fixed coverage complaints from enterprise customers.
- Wrote the site acceptance checklist later used across the 5G programme.
