Kriangkrai Somsak

Project Manager, Digital Banking

Bangkok · kriangkrai.somsak@example.com

SUMMARY

Project manager with 10 years of project management experience at one bank, most of it on customer-facing digital products. I run app projects with fixed release dates, many stakeholders and a regulator watching. I keep plans simple enough for everyone to read, from developers to the executive committee.

EXPERIENCE

Project Manager *Klangmuang Bank Plc* Apr 2016 – Present

- Led the mobile banking app relaunch end to end, a full redesign for 3.4 million active customers, released on schedule with the app store rating up from 3.1 to 4.5.
- Owned the project budget of THB 28 million, covering design, development, security testing and launch marketing.
- Manage a delivery team of 18 across product, design, mobile development and QA, working in two-week sprints.
- Earlier projects included QR payment, e-KYC account opening and a card-control feature in the app, each delivered with the bank's IT security and compliance teams.

EDUCATION

M.B.A., Thammasat University, 2015

B.Sc. Computer Science, Kasetsart University, 2012

SKILLS

Agile delivery · release planning · app store releases · security testing coordination · risk and issue tracking · Jira and Confluence · steering committee reporting
